

GEOGRAPHY

Continents and oceans

World maps and atlases

HISTORY

Changes beyond living memory

Animals/dinosaurs

ART/DT

The children will be colour mixing to make a sea painting using shades and colours.

They will also be designing, making and evaluating models.
Observational drawings will be explored.

SCIENCE

We will be naming and describing materials.

Handling different materials and sorting them by different criteria.

Completing investigations with different materials.

What are things made of?

Why do we use different materials?

We will also be looking at floating and sinking — What would you use to build a boat?

ENGLISH

We will be looking at a range of different stories linked to our speed topic.

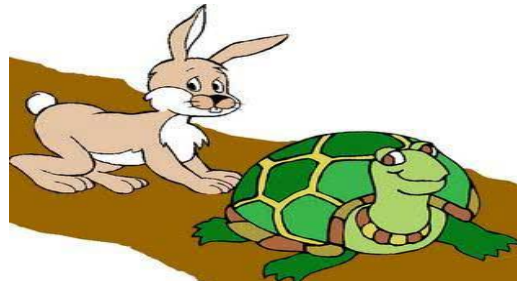

Have you got any favourite stories involving speed?

The children will be working on their non-fiction skills to write labels and captions and will be focussing on patterns and rhyme in poetry.

We will also be writing a set of instructions.

We shall be continuing handwriting, spelling and phonics.

The Year One topic is Speed

PHSE

New Beginnings - Talk to your child about how they have settled in at school, maybe they could tell you each day something new they have learnt.

School's Council — We will be looking to elect our new school council members!

PE

Vicky Gallagher from VC coaching will be leading some of our P.E lessons over the year.

This term, the children will be following the Real PE scheme of work and looking at the fundamentals of P.E including instructions and directions

MUSIC

Exploring instruments and symbols.

Looking at how we play instruments and the sounds they make.

MATHS

Number and place value.

The children will continue to work on their understanding of the value of numbers and how to order them correctly.

Addition and subtraction.

We will be learning how to use a range of different resources and methods to help us solve addition and subtraction problems including blocks, number lines and Numicon.

ICT

The children will be learning how to log on to the laptops.

They will also be learning how to input information in the correct order/sequence

An important focus will be learning about the importance of being safe on computers and online

RE

Our focus will be the 'Creation Story' and getting the children to think about how they feel about something that they have created.

Can you create something to show your teacher?
