A message to the children in Year 3...

Children, we just wanted to say hello and we hope that you're at home keeping yourselves safe. Isn't it strange not being in school every day? All of the year 3 teachers have been taking part in the Joe Wicks PE lessons which we highly recommend (9:00am each weekday on YouTube). However, there are a few of us who are struggling to walk up and down the stairs because of aching muscles.

Take care of yourself Year 3,

From Miss Hill, Mrs Burrows, Mrs Henderson and Mrs Symington

Parents/carers, please find below some suggested activities for you to complete with the children this week. We hope that you too are keeping yourself safe and would like to thank you again for your support at this time.

Weekly Maths Tasks	Weekly Reading Tasks
<ul style="list-style-type: none"> Working on Times Table Rockstars - your child will have an individual login to access this. White Rose Maths has great daily year 3 lessons. Start with Week 1. Play on Hit the Button - focus on number bonds, halves, doubles and times tables. Practise telling the time. This could be done through this game (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes. Design a poster explaining how to complete column addition calculations. 	<ul style="list-style-type: none"> Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. Get your child to read a book on Oxford Owl, discuss what your child enjoyed about the book. http://www.pobble365.com/small-folk Use Question time to discuss and ask questions about the image. David Walliams is reading one of his stories at 11am every day. Audible has lots of free children's audiobooks available to listen to.

<ul style="list-style-type: none"> Daily fluent in five sessions which can be downloaded for free from https://thirdspacelearning.com/ once you have registered. 	
Weekly Spelling Tasks	Weekly Writing Tasks
<ul style="list-style-type: none"> Practise the Year 3/4 Common Exception words. If you took your Spelling Book home, work your way through the activities in there. 	<ul style="list-style-type: none"> http://www.pobble365.com/small-folk Use this image or another from the website and complete the activities on the page (Perfect Picture, Story Starter, Sick Sentences and Sentence Challenge).

Other activities the children may enjoy

Be active

- Oti Mabuse's online dance classes for kids are being streamed to her YouTube account at 11:30am every day.
- [Go Noodle](#) with the family or have a family workout.
Recommendation at least 2 hours of exercise a week.

Be Kind

- Write a letter to a friend, a member of your family or to an elderly or vulnerable person that you know.

Be Scientific

- STEM (Science) home activities can be accessed here <https://www.allaboutstem.co.uk/2020/03/home-school-learning-stem-steam-resources-collection-2/>

Be Creative

- Draw or paint a rainbow to display in your window.
- Draw or paint a flower (lots are starting to appear now). Can the children remember the parts of the flower? Can they label their picture? There are lots of great videos here to remind the children of their learning.
<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-ivys-plant-shop/zh2hkmn>

Be Reflective

- Find out what music their family members enjoy. Do they like the same music? What is their favourite song? They could listen to different pieces of music together with their family. Do they like/dislike any particular types of music and why? Can they identify the instruments they can hear and describe how the music makes them feel? Why not get them to listen to some of the [classics](#)?
