

## TOPIC LEARNING 'Deadly 60!'

Choose activities from the grid below. Can you challenge yourself?

**EVERYDAY: Reading for 15 minutes, learning/practising your weekly spellings**

### Year 2 - Maths, English and Topic Homework – **Deadly 60! DUE WB 7.2.22**

English		Maths		Topic	
<p style="text-align: center;"><b><u>Clip review</u></b></p> <p>Watch a Deadly 60 clip of your choice on CBBC. Review the clip - What deadly animal did you learn about? Can you remember three key facts about the animal? What did you enjoy/ not enjoy?</p> <p style="color: red; font-style: italic;">Challenge - Use the conjunction '<b>because</b>' to extend your sentence and help give a reason for your choice.</p>	<p style="text-align: center;"><b><u>Fact file</u></b></p> <p>Research your own favourite deadly animal and create a fact file using non-fiction features.</p> <p>Don't forget to include-</p> <ul style="list-style-type: none"> <li>Title</li> <li>Picture or photo</li> <li>Caption</li> <li>Did you know facts</li> <li>Sub- headings</li> </ul>	<p style="text-align: center;"><b>Symmetry - Tropical butterfly.</b></p> <p>The patterns on butterfly wings are symmetrical.</p> <p>Create your own butterfly with its own symmetrical pattern on the wings. You could paint one, draw one or create one!</p> <p style="color: red; font-style: italic;">Challenge - show symmetry in a different way.</p>	<p style="text-align: center;"><b>Weight and Height</b></p> <p>Find out the weight and height of 5 deadly animals. Order the heights from the tallest to the shortest. Order the weights from the heaviest to lightest?</p> <p style="color: red; font-style: italic;">Challenge - what would the combined height of your animals be? What would the combined weight of your animals be?</p>	<p style="text-align: center;"><b>Science</b></p> <p>Design the perfect menu for your deadly animal.</p> <p>Can you suggest a starter, main, dessert and a drink that would be suitable for them?</p>	<p style="text-align: center;"><b>Computing</b></p> <p>Find a zoo that has 'animal watch' cameras and see what's happening today! Can you turn your device on independently, find the internet, open a search engine and type 'live zoo camera'</p> <p style="text-align: center;">Write or draw about what you saw!</p>
<p style="text-align: center;"><b>Letter to Santa/ Thank you letter</b></p> <p>Using what you know about a letter layout, either write a letter to Santa to tell him what you would like <b>OR</b> write a thank you letter to someone who has bought you a Christmas gift.</p> <p style="color: red; font-style: italic;">Challenge - use an extended noun phrase to describe the objects in your letter. E.g. Thank you for my <b>soft, fluffy</b> teddy.</p>		<p style="text-align: center;"><b>Top Trumps</b></p> <p>Create a set of Top Trumps cards for 9 deadly animals. The card categories could be killer rating, aggression, speed, strength, size and stealth. Play with someone in your family and add up the points to see who wins!</p>		<p style="text-align: center;"><b>Deadly Baking!</b></p> <p>In the story 'The Gruffalo' several rather deadly animals can be found!</p> <p>Follow this recipe to have a go at making some deliciously deadly 'Gruffalo Knobbly Knees!' (Bigger version below!)</p> <div style="text-align: center;">  </div>	

# Knobbly Knees

*He has knobbly knees . . .*  
These crunchy cakes are nice and knobbly too!

Makes  
12  
cakes

## You will need:

25g unsalted butter  
100g chocolate  
75g cornflakes  
25g nuts  
25g raisins  
2 tablespoons honey

A small saucepan  
A big bowl  
12 paper cases  
A muffin tray

## What to do:

-  1 Break the chocolate into pieces with your hands and put in the small saucepan.
-  2 Add the butter and honey.
-  3 Melt over a low heat. Stir until everything is combined and leave to cool.
-  4 Put the cornflakes, nuts and raisins in the big bowl. These are your dry ingredients.
-  5 Mix the dry ingredients together.
-  6 Pour the warm contents of the pan over the dry ingredients.
-  7 Mix everything together really well. It should be quite stiff.
-  8 Put 12 paper cases in the muffin tray.

-  9 Divide the mixture evenly between the paper cases. You can use a tablespoon to scoop it out of the bowl, and then scrape the mixture into the paper case using a teaspoon.
- 10 Put in the fridge for 2 hours to set.

## Tips, Tricks and Twists

-  You can use any kind of nuts you like, or for a treat you could swap them with mini marshmallows.
-  If you want to get messy, you can mix everything together with your hands - otherwise use a wooden spoon!
