PARKING

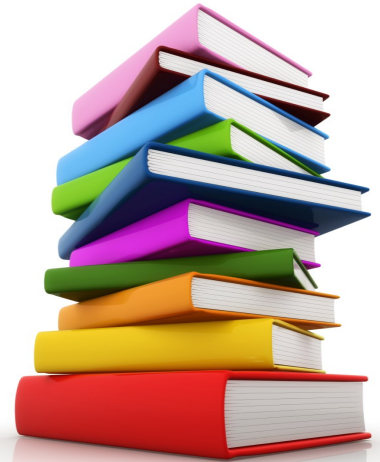

We've received several complaints from our neighbours on Leys Avenue regarding parking. Please be considerate when parking in the vicinity of the Infants and Junior School ensuring there is enough space on pavements for people with prams, wheelchairs, and other mobility needs to pass safely.

Also, please make sure there is sufficient room on the road for emergency vehicles, such as fire engines, to get through. Do not park across or block driveways, as this restricts residents' access to their properties.

Thank you for your cooperation.

WWW—WHAT COULD WE DO THIS WEEKEND?

Roblox is hugely popular and has been in the news lately, with some questions about its safety. If your child plays Roblox, why not spend 5 minutes looking at their parental controls this weekend?
