INFORMATION/RESOURCES

Does your child watch TV on their device? Research tell us that younger generations aren't using 'live' TV, but streaming apps on their devices. Many apps offer the ability to create children's profiles. If your child(ren) are using streaming apps (like Netflix) do you know how to ensure they aren't accessing inappropriate content? Streaming platforms offer age ratings on their options. InternetMatters.org.uk offer free support to set parental controls. Type any streaming platform (iPlayer, YouTube etc) in and get a free step-by-step guide. [Parental controls & privacy settings guides | Internet Matters](#)

ROTHWELL LEARNERS

This has been the first week that 'learner points' have been awarded to pupils. These have been achieved by the children showing good walking around school at the infants and good manners at the junior school.

PARKING

Please can we ask parents/carers to be mindful when parking outside of the school. We have had a number of complaints regarding double parking and blocking of driveways. Thank you for your consideration.
