Medals & Trophies	As a cluster we buy medals and trophies used at our events throughout the year.	Pupils rewarded for excellence	Sep 2019	£42.96	VG	Raised confidence and aspirations.
As a cluster we provide inter & intra competitions all year round outside of the school's sport partnership and provide clubs to support children in preparation for these. Support is given to teachers in lessons to improve the overall delivery of PE within the curriculum.	Deliver & advertise clubs each term based on the different competitions through out the year. Providing practice time and introduction to a range of sports. Working with staff through schemes of work such as Cambridgeshire and Real PE.	More children able to access and experience festivals and competitions. Social impact allowing children to make friends and gain confidence meeting other children from other schools. Hitting the two hours a week target of high quality PE.	Sep 2019	£3663 p/a	VG PE Leads from Cluster	Mass participation allowing more children the opportunity to compete. Well balanced and varied timetable allowing more children to access new things. Success in the school games due to the practice and experience gained at these events.
Access to clubs - sports premium is also used to part or fully fund more clubs allowing access to all regardless of socio-economic situations.	Continue to offer a range of clubs through out the year to target different interests. Use of sports premium to target groups unable to access clubs.	Seeing a positive impact on children's ability levels at festivals. Increased numbers. Helping working parents while providing affordable high quality sports clubs.	Sep 2019	£800	VG KSSP	Club uptake increased by 10% over the first part of the academic year due to the varied programme on offer. Before school clubs helping boost school attainment
Resources and equipment	Buy new gym mats to replace condemned ones from service. Provide more working mats within lessons.	Higher quality outcomes in gymnastics lessons with more variety of equipment able to be used. Skill progression in lessons faster with less children queuing or waiting for mats	Nov 2019	£285	VG	Faster progression in lessons. Better behaviour within lessons due to higher activity levels.
This year we have increased our provision of Level 1 competitions within the school by employing a specialist member of staff to	Employ good quality coaches who understand the importance of good behaviour management.	<i>Increase in the amount of level 1 competitions.</i>	Oct 2019	£1,950	VG	Better behaviour at break and lunchtimes. More children engaging in physical activity during breaks.

work with the children during play & lunchtimes	Provide resources to make break times fun and engaging. Link to school games.	<i>Teaching children about and importance staying safe when playing games.</i> <i>Social skills such as communicating and. making friends</i>				Children showing an increased sense of team work and collaborating with a wider school impact.
